

01

Every day a new world!

dailusion

# WHY dailusion?

02

We believe in the possibility of infinite movies for everyone!

# 03

# PROBLEM

## Problem 1

Producing movies is expensive and time consuming.

## Problem 2

It seems like Hollywood movies are all the same. There is nothing new anymore.

## Problem 3

The opportunity for good movies is limited by scarce resources and human phantasy.

# 04

# I D E A

## **solution 1**

Combining deep fakes, artificial intelligence storytelling and automated image production

## **solution 2**

Artificial intelligence can produce movies with zero marginal costs, instantly, without limitations.

## **solution 3**

Producing movies with artificial intelligence

# 05 SERVICE

dailusion

The streaming service for A.I. Generated Movies
